Approved For Release 2001/03/07 : CIA-RDP92B01090R002600160006-7

2. The Board noted that Colonel H. J. Lemley, Jr., Chief, Production Division, Office of the Assistant Chief of Staff, Intelligence, would be the Army member vice Colonel J. T. Snodgrass.

3. The interim actions of approval for the Board by the Secretary for utilization of TALENT material were noted. The Chairman indicated his desire to have at least one meeting every two months.

4. UAB-D-4

a. Approved in principle.

b. Approval of the proposed utilization of Downdraft photography in existing photo mosaics by the Navy was made subject to two conditions:

(1) the geographical areas in which the photography is to be used is to be checked by HTAUTOMAT for collateral development, and

(2) HTAUTOMAT will examine the first few finished products to assure complete sanitization from the photographic point of view.

5. UAB-D-5

a. Approved in principle.

b. Each service utilizing TALENT photography for cartographic purposes will submit a detailed plan for implementation of the Cartographic Subcommittee's recommendations. Moreover, examples of the first issues of typical maps or charts will be circulated to the other agencies represented on the Subcommittee before being released from the TALENT system.

6. There being no further business the Board adjourned at 1025 hours.
